CP23xx-RGBe coolant labels

This bulletin provides information about a coolant label discrepancy for the projectors listed below. The wrong part number (P/N: 003-005179-XX) was provided by the vendor on the label for the Propylene Glycol coolant; however, the coolant in the reservoir is correct (yellow color). The vendor is updating the label to use the correct part number (P/N: 003-103148-XX).
