

CHRISTIE MICROTILES LED

HD VIDEO WALL PACKAGES

Searching for a complete LED video wall solution?

Look no further. Our Christie MicroTiles® LED packages include everything you need to integrate a seamless, stunning, HD-resolution video wall in your space.

These packages provide everything you need – including MicroTiles LED tiles, QuickMount™ system, video wall controllers, cables, and more.

From corporate spaces like lobbies, and meeting and conference rooms to digital signage applications in malls, convention centers, airports, and public transportation centers, our packages are perfect for every requirement.

Why choose Christie MicroTiles LED packages?

- › Save on the cost and hassle of securing components from different vendors - everything you need is included on a single pallet
- › High-definition resolution for bright, stunning, and seamless visuals and wide viewing angles
- › ADA-compliant QuickMount™ system with proprietary, cabinet-free Click-n-Go™ installation
- › Full range of optional processing and content management technologies
- › Three years parts and labor with standard limited warranty - with extended warranty available as an option
