

Upgrade your Christie M Series projector

Take advantage of the opportunity to get more brightness out of your Christie® M Series projector than ever before! The new Christie upgrade path allows qualifying* Christie 350W lamp M Series projectors to be upgraded to the brighter 450W lamp models. Enhance your audience's experience with brighter visuals and more vivid detail.

Eligible models:

The following Christie M Series projectors* qualify for the upgrade to 450W lamps:

- Christie DS+10K-M
- Christie Mirage DS+10K-M
- Christie Roadster S+10K-M
- Christie HD10K-M
- Christie Mirage HD10K-M
- Christie Roadster HD10-M
- Christie WU12K-M
- Christie Mirage WU12K-M
- Christie Roadster WU12K-M

* Upgrade is available to supported Christie M Series projectors which have a part number ending with -02. Qualifying Christie M series projectors with a part number ending in -01 must first be upgraded to -02 models before they are eligible for the 450W lamp upgrade. The price to upgrade from a -01 to a -02 model will be determined on a case-by-case basis. Please consult your Christie Territory Sales Manager for details.

The upgrade includes:

- 2 new 450W lamps
- 2 new 450W igniters
- 2 new 450W lamp drivers
- New 1400W power supply
- New integrator rod (SX+, HD or WU)
- New cooling fans
- New projector labels/badges reflecting respective Christie M Series 14K model
- This upgrade requires the removal of the existing yellow notch filter (YNF) and dynamic iris for proper operation.

Note: You can keep your existing 350W lamps. None of the upgraded components will be returned.

How to order the upgrade

Send a purchase order specifying part number 118-126100-01 to your regular sales order desk.

Upon purchase order receipt, Christie will issue an RMA number for you to return your unit to the factory for upgrade.

CHRISTIE®**Factory upgrade**

This upgrade must be performed at the factory, and requires customers to ship their units to one of the following Christie locations:

Canada

Christie
809 Wellington St. N.
Kitchener, Ontario N2G 4Y7

United Kingdom

Christie
Viewpoint, 200 Ashville Way
Wokingham, Berkshire RG41 2PL

Lead time

Factory upgrades are typically performed within 10 business days of receipt, and shipped back to the customer using traceable courier.

Cost and freight

The cost of the upgrade includes all parts and labor. Additional freight costs for shipping the projector to Christie are the responsibility of the customer, while return freight will be covered by Christie. For international shipments, Christie will cover return freight costs to the nearest port of entry.

Warranty

The upgraded projector will inherit the remaining warranty of the unit being upgraded or 6 months, whichever is greater.

Lamp warranty on the new 450W lamps will follow the standard 120 days or 500 hours.

The upgraded units will maintain their serial number but will inherit a new part number for future reference.
