END-OF-PRODUCTION

Hedra video wall processors

As we continue to create innovative solutions, we discontinue former technology. As a result, on **October 31, 2026**, **Christie® Hedra video wall processors** reached end-of-production.

We offer other solutions, such as Christie Spyder-S Series, with comparable features and advanced capabilities for improved performance and scalability.

We'll continue to provide support for three (3) years from the end-of-production date, until **October 31, 2029**, while parts are available.
