

# END-OF- PRODUCTION

## Pandoras Box Player R4

On **May 1, 2021** the Christie® Pandoras Box® Player R4 reached end-of-production.

We're replacing Pandoras Box Player R4 with Pandoras Box Server R5. Why? We took advantage of rapid development in computer components and technology and developed next-level Pandoras Box hardware for you, so your customers can enjoy massively increased performance and content drive space.

We'll continue to provide support for 2 years from the end-of-production date, until **May 1, 2023**, while parts are available, unless the product is covered under a warranty or extended warranty, in which case we'll continue to provide support for the applicable warranty period.
