

We're triple-excited about these products

- Our new **Christie® Griffyn™ 4K32-RGB** all-in-one RGB pure laser projector
- **Mystique™ Lite**, camera-based alignment software—and the newest member of the Mystique family—that lets you blend and warp up to 3 Christie projectors
- **Conductor**, our advanced monitoring and control software solution for Christie 3DLP® projectors

CHRISTIE® GRIFFYN

Pure laser. Pure performance.
Pure excellence.

The Griffyn 4K32-RGB pure laser projector is a technological marvel that combines Christie's superior electronics and proprietary RGB laser illumination architecture producing capabilities and reliability that will impress you.

At 34,000 lumens and 46dBA at full brightness, it is our first projector to offer new TruLife+™ electronics for unrestricted connectivity, and digital convergence for easy picture-perfect alignment. We built this highly advanced projector for demanding large venue applications 'on the ground' or 'in the air'. Featuring:

- New TruLife+ all-in-one electronics
- Compact & omnidirectional
- Digital convergence via remote control
- Rec. 2020 color
- 4K lens compatibility
- Quiet operation - 46dBA at full brightness

Keep simple projector arrays aligned with the click of a button

With our new Mystique Lite camera-based alignment software and an inexpensive webcam, you can warp and blend up to 3 Christie projectors in a single horizontal projector array on a flat surface or screen with the click of a button.

Easy to use and perfect for simple set-ups, Mystique Lite saves you both money and time. Simply download the software, purchase an inexpensive supported webcam, and you're all set.

Mystique Lite is compatible with HS Series projectors with Christie Twist™, Boxer® Series, Mirage 304K, Crimson Series, D4K40-RGB, Mirage SST, and the all-new Griffyn 4K32-RGB.

Exclusive to Christie projectors, Mystique Lite and Conductor (keep reading) are available for download at no additional cost.

Save time and simplify projector control with Conductor

With our new Conductor software, you can easily monitor and control up to 256 Christie 3DLP® projectors on the same network from your laptop.

Conductor makes it easy to:

- Turn projectors on/off with the click of a button
- Monitor the health status of your projectors with a glance at our user-friendly interface
- Perform remote firmware upgrades on many projectors at once... in minutes
- Proactively diagnose technical issues to keep your projectors humming and reduce the risk of downtime
- And more!

Conductor is compatible with Boxer® Series, Crimson Series, D4K40-RGB, Mirage SST and Griffyn 4K32-RGB.
