Lowest operating costs in its class

Designed for ease of use and maximum reliability with the majority of screens in commercial exhibition, the Christie® CP2220 is an all-in-one digital cinema projection solution that is the brightest, highest performance projector with the lowest operating costs in its class. The new user interface and electronics showcase speed and performance that help make the Christie CP2220 the workhorse of the industry.

As part of the Christie Solaria® Series of digital cinema projectors, the Christie CP2220 is based on Texas Instruments' Series 2 DLP Cinema® technology and is compliant with the Digital Cinema Initiatives (DCI) specification.

Christie CP2220

127-002103-01

Purpose-built for exhibitors, the Christie CP2220 delivers 22,000 lumens with only a 3kW lamp, making it the most cost efficient projector in the industry. The Christie CP2220 is built on proven and reliable 1.2" 2K DMD DLP Cinema technology, featuring a contrast ratio greater than 2100:1 and is upgradable to 4K.

Featuring an internal universal switching lamp power supply, the Christie CP2220 provides maximum performance and reliability. Additionally, the Christie CP2220 is up to 50% smaller by volume than other projectors on the market and can be placed on a variety of rack stands and pedestals. Available as an optional accessory, the motorized lens mount is the fastest and most accurate available on the market. It is compatible with Christie's complete line of zoom lenses.

Based on the popular CP2000-ZX platform, the Christie CP2220 offers Brilliant3D™ full 2K resolution triple flash for 3D projection and built-in support for HDCP and de-interlacing of alternative content. Using the Texas Instruments 1.2" DMD allows for bigger and brighter 3D movies and more efficient cooling which extends the life of the projector. The ergonomic design offers simplicity of use in a robust and reliable package.

With an optional motorized lens mount, designed specifically for use in theatrical exhibition, the Christie CP2220 promotes longer lamp life, lower cost of ownership and greater reliability than the competition. In addition, the Christie CP2220 was designed to allow a convenient field upgrade to 4K, providing you with an additional return on your investment.

Now with Christie Previsto™ High Frame Rate (HFR) technology, your investment is ready for the next evolution of digital cinema. Display premium 2D/3D HFR feature film and alternative content in its original format, giving your audiences the best visual experience possible

2K, Series 2 DLP Cinema technology

DCI compliant

Easily upgradable to 4K

3D ready

Lowest cost of ownership

Accessories – for easy integration into any environment, Christie's full range of digital cinema accessories includes the Christie Integrated Media Block (IMB), Christie Cine-IPM 2K for alternative content, the Christie SKA-3D for economical Audio/Video processing, the Christie ACT automation control system, and a full suite of lenses and lamps

Standard support for HDCP, SNMP and VNC

Split power operation for use with UPS

Local control via flexible Touch Panel Controller (TPC) and full access from anywhere via web service based GUI

One-piece compact design for flexible mounting and installation

Operates with standard 2kW, 3kW and high performance 3kW cinema lamps

Specifications	CP2220
Brightness ¹ lamp	• 2.0kW (CDXL-20) 003-000598-XX
	• 3.0kW (CDXL-30) 003-000599-XX
	• 3.0kW (CDXL-30SD) 003-001165-XX
nominal	• 22,000 lumens
screen size	• 70' screen ¹
Supported frame rates	• 2D up to 120 fps, 3D up to 60 fps/eye ²
Contrast ratio	• >2100:1 full field on/off
Digital micromirror device	• 1.2" 2K 3-chip DMD DLP Cinema
	• 2048 x 1080 pixels
	• Upgradable to 1.38" 4K (4096 x 2160 pixels)
Input line voltage	• Single phase 220V
Number of colors	• 35.2 trillion
Lenses	• See christiedigital.com
Power supply	• 3.3kW low-ripple switch mode lamp power supply
Weight	• As installed: 256lbs max (116kg)
Accessories	<ul style="list-style-type: none"> • Christie Integrated Media Block (IMB) 108-384107-01 • Variable aperture kits 38-813028-51 • Nema-L6 30A 250V male PWR plug w/1.5m cord 116-102104-01 • Rack mount stand 108-416102-01 • 3 phase to 1 phase 208V/120V power distribution unit 111-277001-01
