

LCD Panels For Impressive Tiled Video Walls

Transform any space into a visual spectacle

Christie® tiled LCD panels offer a flexible platform for a variety of video wall applications. Available in an ultra-narrow bezel width, our high-performance LCD products are perfect for meeting rooms, educational facilities, control rooms, retail spaces and more.

And with our extensive range of content and image processing products and video wall controllers, it's easy to design a customized, integrated system that lets you make the most out of your LCD display.

CHRISTIE®

LCD tiled video walls are ideal for control rooms as well as artistic and architectural displays of all sizes. With Christie®, you get professional-grade LCD panels offering the perfect combination of performance, features, image quality, and price.

Christie Ultra Series

Get stunning high-contrast and color-rich visuals with Ultra Series. With the ultra-narrow 3.5 mm combined bezel width, you get a near-seamless display. Competitively priced and designed for long-lasting and reliable 24/7 performance, the Ultra Series is ideal for high-performance video walls.

Video Wall Toolbox

Christie's electronics platform provides advanced performance and video wall capabilities to maximize the performance and ease deployment.

Our Video Wall Toolbox is a setup and calibration tool used to ease the installation and serviceability of our tiled LCD displays.

[Christie video wall configuration tool >](#)

The screenshot shows the 'LCD Video Wall Properties' configuration window. It includes a dropdown for 'Choose Tiled Flat Panel' set to 'Christie FHD553-XE-R - Extreme Series'. Below are sections for 'Remote Power Inputs' (AC Voltage: 220, Select Distance to Display: 6m (19.68ft)), 'Define your display' (Display By: Specify by Tiles, Units: ft, Orientation: Landscape), and '# of Tiles' (Columns: 2, Rows: 1). A 'Mounting' dropdown is set to 'Please Select'.

Service and support

LCD video walls come standard with a three-year commercial warranty. For added peace of mind and to maximize uptime, Christie provides on-site repairs during the first year of your warranty.
