RE: TAA Compliancy Statement for Christie Secure Series III

To Whom It May Concern:

The following is our statement regarding Trade Acceptance Act (TAA) compliancy for the Christie Secure Series display models listed below.

To the best of our knowledge, the Christie Secure Series III are end products of either the U.S. or the TAA designated country¹ listed below. This statement is made based on our understanding that these products have either been “substantially transformed” in the country listed below, or, if the country listed is the U.S., the products have either been “substantially transformed” or manufactured in the U.S.

System Manufacturer	Christie Digital Systems USA, Inc. 10550 Camden Drive Cypress, CA 90630
